

Our mission is to provide opportunities for those interested in careers in the skilled trades and to promote and support projects focused on housing and emerging community construction related needs.

Scholarship Application

Criteria: The \$500 scholarships will be awarded to those planning to attend a Western WI college to pursue a degree in construction/skilled trades.

To qualify, you must be enrolled into a qualified program (construction, electrical, plumbing, HVAC, engineering, architecture, landscaping, plant management, etc). You must maintain a minimum college grade point average of 2.0 to be awarded this scholarship. Payment of the award takes place following the first semester of the first year of higher education. It must be used within one year and will be paid out after the first semester grade transcripts and second semester class schedules are sent to the CVHBF scholarship committee. The student must complete the information below and attach 1-2 letters of recommendation from people who can speak to your character, academic abilities, or leadership qualities.

Application deadline is May 2, 2025
