

NEW 2026 HOME SHOW BOOTH SIGN-UP PROCESS (Feb 20-22, 2026)

We are excited to implement a new software system for the 2026 Home Show that will allow the public to view more details on each of the vendors on an interactive map. This map will be available before and after the show for attendees.

This software will also change our booth registration process to a first-come first-serve booth selection (no more drawing numbers, no more Zoom selection day). However, we will still roll out booth selection based on booth size, so please see the information below on what you need to know to sign up for the 2026 Home Show.

1. Pre-Register by March 25

Fill out the [PRE-REGISTRATION FORM](#) no later than **March 25**.

Let us know that you want to reserve booths for the 2026 event. What we need to know:

- How many booths you want
- If you want a 'Mega' booth or an 'L' booth
- The contact person that should receive all communications on booth sign-up

No payments are due at this time, all payments will be taken when you reserve your booth.

**All members who request booths by March 25 will be guaranteed booths. According to our booth agreement, if booths are 'over sold' then a restriction may be placed on how large booths can be.*

2. Booth Sign-up Day

On your assigned sign-up day, you will receive an email with an access code by 8:00 a.m. so that you are able to login and reserve your booth on a first-come first-serve basis. It will work like buying concert tickets, you'll select your booth, and it will stay in your cart for a period of time until you can check out. X-Large booths (6 or more booths) will be assigned before booth selection starts.

- Large Booths (4+ booths, Mega booths, L booths) – April 1 at 8:00 a.m.
- Medium Size Booths (2 and 3 booths) – April 8 at 8:00 a.m.
- Single Booths (1 booth) – April 11 at 8:00 a.m.

3. Remaining Open Booths

If any booths remain after booth selection days, then booth sign-up will be open to members on a first-come first-serve basis.

- ****The CVHBA reserves the right to work with booth holders to shift businesses around after booth selection as needed (i.e. competitors next to each other, booth selection doesn't work for pipe and drape, etc). If the booth holder reserves less booths than requested, their reservation will be cancelled until their booth size assigned time.**
